## A KIWI ICON

Welcome to The Shakespeare Hotel and Brewery, an iconic part of New Zealand's hospitality scene and an Auckland institution 125 years young.

Opened in 1898, during the reign of Queen Victoria, the Shakespeare Hotel and Brewery has proudly served generations of Kiwis and tourists under seven Monarchs, 30 Prime Ministers and 32 Mayors of Auckland (or 31, given the legendary Sir Dove-Myer Robinson). For 125 years, we have provided a warm Kiwi welcome, a great feed and good times with superb craft beers, brewed right here, on the premises.

Being in the heart of the beautiful City of Sails, our hotel rooms, restaurant, pub bar, courtyard, private function areas and of course, the brewery, offers something for everyone. The boutique hotel rooms of The Shakespeare Hotel, each with own ensuite, offers a unique, intimate and historic place to stay in Auckland's dynamic central business district.

## HISTORIC RESTAURANT

With a long history of warm and friendly service, a great location and stunning architecture, the team of The Shakespeare Hotel and Brewery is proudly living a tradition of hospitality, which began over a century ago!

The Shakespeare Restaurant delivers a traditional British Pub Experience in the heart of the city. Our menu is packed full of the classics you love, and extra special dishes created and curated by our talented Chefs.

You may need an afternoon nap when in for lunch, given a great choice from Shakespeare pizzas, mouth-watering gourmet burgers, rump steak or classic bangers and mash! Alternatively, keep it light, with fusion, Thai and vegetarian options.

For dinner, we showcase not just New Zealand's finest meat but some of the best on Earth. Thick tender lamb shanks, BBQ spareribs and a hearty Scotch fillet with all the trimmings. Alternatively, opt for The Shakespeare's famous fish 'n' chips, taking advantage of the nearby sea's bounty. Whatever the occasion, The Shakespeare has a food sonnet just for you!

**Brewery Tours and tastings:** Our brewery team also offers bespoke guided brewery tours and tasting packages for corporate/social groups and individuals (prior booking needed).

## NZ'S OLDEST MICRO BREWERY

The onsite historic brewery at The Shakespeare is renowned as New Zealand's Oldest Pub Microbrewery, offering the freshest possible craft beers on tap. The Brewhouse was installed almost 50-years ago and produces around 1,200 litres each brew. Enough for 2,111 pints! The Brewery continues to make stunning craft brews and has been doing it far longer than any other brew pub in New Zealand!

**Beer tasting paddles:** No style is left out by our Head Brewer who loves to experiment. We offer a portfolio of fantastic beers to take you on a global beer journey. Check out the amazing range of The Shakespeare beers on tap, or even better, ask for our 'beer tasting paddle'.

**Kegs on the go:** For those memorable functions and parties at your place, our bulk beer Kegs on the Go are available with a portable tap dispenser. For personal and delicious Beers on the Go, take The Shakespeare home with you in bottles (or growlers). Enjoy our fresh tap beers in the comfort of your own home.

For food and beer takeaways, Kegs on the Go, or to book brewery tours and tastings, just ask our friendly team members, or the Manager on Duty at the main bar.
